

Certificate Of Conclusion

SQL for Data Science

Letícia Campos Valente

has successfully completed the certificate course in a Workload of 12H

DATE 16 / 02 / 2022

DESCRIPTION

The course teaches the student how to analyze extracting various data types from databases. The content focused on syntax and querying tables in relational databases such as MySQL.

A stylized, handwritten signature in black ink, consisting of a large loop followed by a series of connected strokes.
